"Pat Canny, long time Life Member (L 191)died this morning-Sunday 29 May 2011 at home. Pat was our beloved Bagpiper. Pat was respected and admired by all of us. He was a gentleman in every sense of the word - always smiling and never complained. he and his sweet wife Hazel loved to travel and they did for many years. It was Pat's request to be cremated and that there be no church or graveside services. So each of us will have to say "goodbye" to Pat in our prayers or in our own way. We send our love and condolences to Hazel. He will be missed by all who knew him.

We have lost a real trooper who while he was able was always there for TLSC. Goodbye for now Pat.I pray that we will meet again.
